### Diary Writing.

#### What is a Diary?

Writing a diary entry is very different from writing a letter or a passage. A diary entry is a short composition, a record of the writer's feelings, thoughts and happiness during a particular day. It is generally meant to be something personal and all that is expressed is done in an honest and frank manner.

Read and write the diary entry given below. It is a diary entry by a girl who met her friend after a long time.

Dear Diary

#### **An encounter with my old friend.**

Today was a day full of surprise. I met my old friend Ansa / Abrar after many years. I chanced upon her at the 7/11 Sanat Nagar chowk where I have gone to pick up some daily needs where I met my friend.

As I paid my bill I saw a familiar looking face staring at me with curiosity. Suddenly it dawned simultaneously on both of us that each of us was staring at a lost dear friend. Our joy knew no bounds as we rushed towards each other.

And wave of nostalgia swept us as we recalled our bygone days over a cup of coffee.

How beautiful were those school days full of fun, laughter and mischief! Times to still as we walked down the memory lane hand and hand. We parted after promising to remain in touch with each other. I will never forget this surprise meet up in my whole life.
